## Event Information

### Atlanta Regional Jan 29-30, 2022

#### Registration

Please check in at the registration table upon arrival to receive your studio packet. Please note that your critique and scoresheet USB will be delivered to you when ready or can be picked up at the tabulation table after your studio's last awards ceremony.

#### Schedule

Please have your performers dressed and ready approximately one hour before they are scheduled to perform. Theater doors open one hour before the start of competition – please note that doors will remain locked until scheduled opening time. While we have made every effort to avoid quick costume changes, we know that there is always a handful in each competition. Performers are given a minimum of 15 minutes for costume changes. If a performer has less than 15 minutes and you foresee a problem, please notify our office. Please work with our backstage manager on the day of the event if there are other scheduling issues.

#### Dressing Areas

Dressing areas/rooms have been assigned based on the number of performers from each studio. Rooms will be clearly marked with each studio name and code. Multiple studios may be assigned to one dressing room or area. There will be one male dressing room to accommodate performers from all studios. If you need any assistance locating your assigned dressing room, please ask a staff member. Under no circumstances should anyone remove, destroy or change signs on dressing rooms. Please do not enter any other studio's assigned dressing space at any time during the competition.

#### Music Submission Guidelines

Music must be uploaded via your studio account portal by Monday morning at 8am CST – no exceptions. Routines that do not have music uploaded by this time will be scratched. Refunds will not be issued. Music will not be accepted on site (other than if a backup is needed). If a backup is needed on site, we will coordinate appropriately.

#### Backstage Manager/Props

All entries should check in with the backstage manager at least 5 numbers before they are scheduled to perform. Once dancers have checked they should remain backstage and listen carefully for the emcee to call their number.

Please coordinate with our backstage manager to load props in and out of the backstage area. Please assemble props quietly and out of the way of performers. Props must be set up and assembled within 2 minutes and should be labeled with your studio name. Props should not be moved to the backstage area until 5 numbers before the entry is scheduled to perform and should be removed immediately after use as storage space is not available backstage.

#### Photography/Videography

No cameras of any kind may be used during performances. Please note that our media team will be on-site capturing photo and video of all routines. An email regarding studio packages was previously sent out – if you would like more information or have questions, call our office or email – [media@celebrationtalent.com](mailto:media@celebrationtalent.com). The audience is welcome to shoot photos (including flash) during our awards ceremonies. Failure to adhere to any of these rules may deem a routine ineligible for overall awards.

#### Awards Ceremonies

All students are welcome onstage during awards. For adjudicated awards, please have one student designated to collect the award for that entry. The entire group is welcome to stand up for an overall or special award. As a courtesy to other studios we ask that all students remain on stage during the entire awards ceremony, remain silent during the awards ceremonies, and

be courteous to performers from other studios. Awards left behind will not be sent to studios; all awards must be picked up prior to the conclusion of competition.

### **Cash Awards/Award Certificates**

Highest overall score routines in the Rising Star and Shining Star levels (1st overall in any age class, entry division and level – i.e. Junior Rising Star Solo) will each receive a cash award or award certificate. Checks are made payable directly to the studio and award certificate amounts will be credited to your studio account. Credits and checks are issued approximately two weeks after the close of competition. A form detailing awards won will be uploaded to your studio account for your reference. Studio award checks must be cashed within 90 days from date of issue. Checks not received must be reported to the CTC office within 30 days of the conclusion of an event. Lost checks will be reissued once the 90 day time frame has expired.

If you have any other questions please don't hesitate to ask. Good luck to your students and thanks for being a part of Celebration Talent Competition!
